

Welcome to our Seabreeze e-Health webpage. We aim to encourage a medication-free and healthy style of living by providing products that will empower you, the consumer, to take better control over your lives and choices made. Healthy people make health decisions early in their lives and maintain these ways for the rest of their lives.

Aspects that need addressing are healthy foods, clean water and a medication-free approach to health problems.

Seabreeze e-Health is specifically created for the people of Namibia and the Namibian market. Emphasis at Seabreeze e-Health is on products difficult to come by, such as specific health foods and health products.

Feel free to contact us for any further information and advice with regard to any of the products shown in this website.
